‡ FLEXIBILITY

WESSEL MANAGEMENT

Fleet Planning Work Schedule & History Vessel Performance Fleet Performance Documentation Certification - Integrated task managed alert system

USER DATABASE

Crew are able to login and maintain their own details, reducing admin time.

Be alerted to changes and approve profiles.

Create & Manage Users & Permissions Comprehensive Medical Details Next of Kin Information Travel Preferences GDPR Data Compliant Assign/Control User Groups Manage Employment details Online Contract - Digital Signatures. User Certification Employment Control

CREW APPROVAL PROCESS

Reduce your administrative overheads by letting crew manage there own profiles with our user friendly wizard.

USER QUALIFICATIONS

Easily manage control and download your crew qualifications. CrewSmart renames uploaded qualification files automatically for easier understanding.

F INVENTORY

Fully manage your complete inventory.

Check In & Check out your items individually or as complete kits to users/sites/vessels.

Utilising NFC Technology for fast & easy control & intergration.

Be alerted to items nearing their expiry date.

Discover history/status with a simple tap.

Assign vessels to contracts

View vessel operations along side planned operations. Scheduled vs Actual

Assign crew

Use as a planning & rota tool

Intervene schedules - swap out vessels and crew in a matter of seconds

Drag & drop functionality

Full crew management & automatic suggestion - based on qualification requirements for the job role.

Full itinerary and document/travel ticket storage. Auto-PDF generation including site joining instructions, port amenities and fellow crew details.

O TIME SHEET CONTROL ENTERPRISE EDITION

Vessel & Crew Logs automatically generate time-sheets & invoices. Simplify your work-flow and reduce office staff overheads.

Auto branded PDF time sheets

Bespoke employment details using employment profiles. Our expression engine lets you control any element of your crew timesheets including (but not limited to) Pension & National Insurance Contributions.

Flag, verify & easily check your time-sheets with easy to use tools.

REPORTING & ANALYSIS

Generate bespoke reports for analysis & KPI data.

Keep track of your data and keep your customers informed.

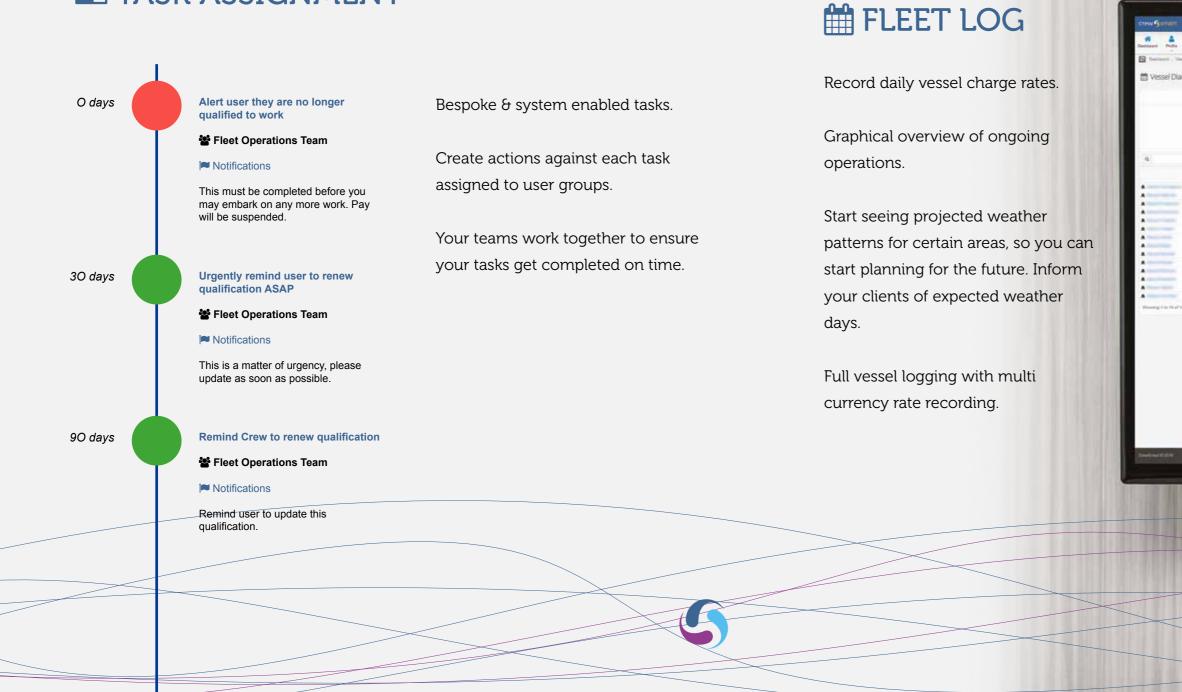

Export your data to Excel or PDF as required.

WESSEL CERTIFICATION

Vessel certification management, fully tailored to your requirements.

Manage expiring and expired certificates. Full document management.

Integrates with task management system to provide timely alerts & notifications directly to the staff who need to know.

Communication tool to contact all your employees. Target all your staff or just certain user groups, including only active crew members.

All communication is sent branded, recorded and reported so you know who has opened that business critical communication.

CONTRACTS & ACCOUNTS

Accounts - sub accounts Financial reports Contract details, including assigned vessels Document storage Important contact database for invoicing & delivery addresses

HOSTING

Hosting your data in a secure, reliable, cloud based environment in the top tier Global Switch 2 along side high end brands such as British Airways, TK Maxx, Tesco & RSPCA.

Daily database backups Daily File Backup Ongoing updates Email & Telephone Support

U SECURITY

SSL Encryption, fully managed firewalls with Intrusion Detection Systems and DDoS protection using highest levels of reliability and performance with HP dedicated hardware, and Cisco and Juniper networking products.

FLEXIBILITY

CrewSmart is designed to be integrated/ flexible/secure.

You can customise the system to your business, not customise your business to CrewSmart.

CrewSmart has the ability to integrate with 3rd party API's to further improve integration.

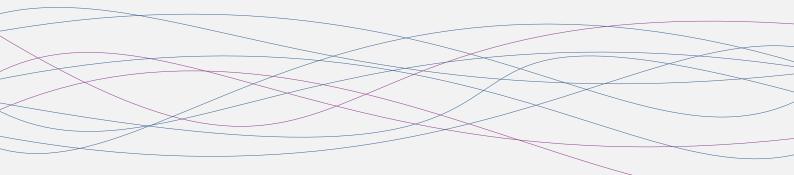

To arrange a free demonstration and to find out what CrewSmart can do to streamline your business, contact enquiries@crewsmart.co.uk

2018 © CrewSmart
